

GR 86

AWAKEN THE BEASTS

Move your world

CONCEPT BEHIND
THE BEAST

The birth of a formidable machine forged through great engineering and man-made resolve has taken form of a modern-day sports car. Hear it roar down the highway with its powerful 2.4L engine. Feel the winds as it accelerates, reaching high speeds in an instant.

This is the all-new 2023 Toyota GR86.

GR 86

GR86 shown in Ignition Red

BOUNDLESS DOMINATION.

GR86 shown in Crystal White Pearl

Total control is in your hands.
Dominate every turn and curve
on the road with the new GR86.

2.4L Horizontally Opposed 4-cylinder Boxer Engine

A sports car in the purest sense - the engine that keeps the heart racing by providing more torque and almost 20% more engine displacement than its predecessor.

Newly Developed

2.4L

Horsepower

237 PS

Max Torque

250 Nm

Boxer 4-cylinder

DOHC (D-4S Direct and Port Injection System)

Acceleration

0-100km/h in 6.3s (Manual) and 6.8s (Auto)

➤ Suspension System

The GR86 comes with MacPherson strut at the front suspension and Double Wishbone on the rear suspension, featuring GR-tuned coil springs & shock absorbers.

6-speed Manual or Automatic Transmission

Whether rowing through the gears of a 6-speed close-ratio manual with a short-throw shifter or triggering the paddle shifters of the 6-speed auto, GR86 will always be a ride of thrill.

Front & Rear Ventilated Disc Brakes

2-piston sliding front brake calipers ensure optimal stopping performance for a smoother drive.

➤ Aluminium Body

Aluminium body reduces weight and centre of gravity, with 50% twisting body rigidity improvement.

STRONGER SLEEKER LOOK.

When you're on the road, all eyes are on you. With a refined aerodynamic profile that ensures excellent steering response and handling stability, the GR86 shows off its sleek look featuring a black functional matrix front grille with G-mesh insert, GR badge, and functional air inlet ducts with black accent trim.

Rear Design

Sporting a duckbill rear spoiler, black power outside mirror, roof-mounted shark-fin antenna, rear "GR86" badge and dual chrome-tipped exhaust.

Michelin® Pilot® Sport 4 Tyres

Stun the streets with 18" matte-black-painted alloy Michelin® Pilot® Sport 4 Tyres that ensure style and rigidity.

Actual vehicle may vary from image shown.

POWER RADIATING WITHIN.

A perfect balance of stylish comfort and modern functionality, featuring an interior with standard leather touchpoints.

Actual vehicle may vary from image shown.

Ultrasuede with Genuine Leather

Full leather seats that allow you to take enjoyment in long rides.

Air Conditioning

Dual-zone automatic climate control with dual LCD toggle displays.

8" Display Audio with Apple CarPlay & Android Auto™ Compatibility

Stay connected to your world and play your favourite tunes while on the go.

Digital Gauge Cluster

Get all the vital information you need at first glance with the fully digital instrument display featuring a 7" Thin-Film Transistor (TFT) GR digital gauge cluster with LCD Multi-Information Display (MID).

Boot Space

Spacious boot space with a full-sized alloy spare tyre provided, allowing you to store everything you need with ease.

GR86 ACTIVE SAFETY SUITE

Advanced suite of safety features that allows you to
unleash your drive with a peace of mind.

Pre-collision System [PCS]

Avoids or mitigates frontal collisions by using an in-vehicle stereo camera sensor to monitor the road ahead while detecting vehicles, pedestrians and cyclists.

Adaptive Cruise Control [ACC]

Designed to adjust your speed, helping you maintain a preset distance from the car in front of you.

Lane Departure Alert [LDA]

Alerts the driver when the vehicle moves away from a traffic lane without signalling.

Automatic High Beam [AHB]

Auto High Beam (AHB) is available, which automatically turns on the high beam when there are no vehicles ahead.

Reverse Automatic Braking

Using parking sensors on the rear bumper, the system can alert the driver with warning sounds and automatically apply the brakes to avoid collision or reduce impact.

Blind Spot Monitor

Detects and indicates to the driver if a vehicle is present in the blind spot area.

Rear Cross Traffic Alert

The system detects any vehicle close to the rear of the vehicle and notifies you using an indicator light and buzzer.

Vehicle Stability Control, Traction Control and Track Mode

Toggle the new Track Mode to bring important information like RPM and gear into focus. Be in control on slippery surfaces and have stability when turning on a curve with Traction Control (TRC) and Vehicle Stability Control (VSC).

MAIN SPECIFICATIONS

VARIANT	GR86 2.4 M/T	GR86 2.4 A/T		
ENGINE				
Model	FA24			
Type	Boxer 4-cylinder, 16-valve, DOHC			
Displacement	cc	2,387
